## AVAILABLE QUALIFYING CONTRIBUTIONS

The Arizona Citizens Clean Elections Act requires candidates to obtain \$5 voter contributions to qualify for public funding. This allows voters to meet with candidates and reduces the influence of outside organizations. **Contributing \$5 qualifying contributions is voluntary.**

Candidates can receive funding after they collect the required amount of \$5 qualifying contributions from registered voters in their district. **Voters can contribute a \$5 qualifying contribution to as many individual candidates as they choose (one contribution per candidate).** The voter must be registered to vote in the district where house candidates or senate candidates are running.
